

## **CALL FOR NGOs TRAINING AND DEVELOPMENT PARTNERSHIP PROPOSALS**

The Rand Water Foundation (RWF) represents Rand Water's CSI legal entity, and it exists to carry out the social responsibility role of Rand Water. The Foundation is mandated to: promote and support the delivery of water related services to communities in the areas falling within and outside Rand Water's area of supply; coordinate, administer and manage Rand Water's Corporate Social Investment resources by undertaking community development projects in partnership with various donors and relevant stakeholders. Rand Water Foundation is a vehicle through which Rand Water fulfills its commitment to helping Government in achieving its vision of a better life for all, by promoting job creation, skills transfer, enterprise development, community capacity building, and poverty eradication among communities.

The NGO's Training and Development is one of the projects implementing the Rand Water Foundation strategy and the Corporate Social Investment Funding policy. The project is aimed at building capacity within the NGOs sector.

### **A. Training and Development of NGOs**

The NGO identified will be responsible for the following deliverables:

To train a total number of forty (40) delegates from twenty (20) NGOs. Each organisation will be represented by two delegates during the training.
